

NARU TEJESWAR REDDY

Cumbum, India | tejeswarreddynaru333@gmail.com | +917989037070

Education

Year	Degree/Exam	Institute	CGPA/Percentage
2020 - 2024	BTech, Computer Science Engineering	GITAM University, Visakhapatnam	8.59
2018 - 2020	Class XII, State Board	Narayana Junior college	93.9%
2017-2018	Class X,CBSE	Narayana kenndy school	83%

Skills

Programming Languages: C++ | Python | Java | SQL | R | HTML | CSS | JavaScript

Frameworks: NumPy | Pandas | MySQL | Tableau | GitHub

Additional Skills: Data Analytics | TCP/IP Networking | Google Tools | Linux OS | Problem-Solving | Analytical Thinking

Languages: English | Telugu | Hindi

INTERNSHIPS

DATA ANALYST INTERN AT CYIENT PVT LTD. (June '23 - Present)

- Analysis the given data using Numpy and pandas in python.
- using data visualizing tools libraries matplotlib and seaborn
- using machine learning algorithms to predict and check model accuracy

WEB DESIGN AT INTERNPE (May ' 23 - Jun ' 23)

- We take pride in crafting visually stunning and user-friendly websites that captivate your audience and elevate your online presence.

With a meticulous approach to design, seamless functionality, and a focus on delivering results, our team is dedicated to bringing your digital vision to life with style and sophistication

DATA ANALYST AT CODECLAUSE (Apr ' 23 - May ' 23)

- play a vital role in our data-driven decision-making process.
- responsibilities will include gathering, cleaning, and analyzing large datasets to extract valuable insights. Collaborating with our team of experienced analysts, you'll assist in creating comprehensive reports and visualizations that contribute to the overall success of our projects

Projects and Research

e-commerce(web application)

JUN '22 - Dec '22

- The Project aims to build a user friendly and interactive e-commerce web application.
- SKILLS : HTML, CSS, JAVASCRIPT

Speil(android application)

JUN ' 22 – SEP'22

The project aims to build a user friendly and interactive android application for reading books online like a e-library etc

SKILLS : java,xml

Stock market prediction

The project aims in predicting the future stock value using machine learning models like linear regression and ANN etc

SKILLS:PYTHON,POWER BI,EXCEL

Certifications

- **DATA ANALYTICS USING PYTHON** | Specialization Certificate - Coursera
- **JAVA** | Princeton University - Coursera
- **BUILD YOUR FIRST WEB APPLICATION** | Specialization Certificate - Coursera
